### GENERAL REMARKS

It is my pleasure as president of the club to report on the year's activities for 2007.

This has been a relatively smooth year for the club, with membership numbers being solid and lots of competition and social tennis being played. Our biggest challenge as a club is the lack of water availability to use on our courts. Members will know that water restrictions have meant that we had to close half of our courts for much of the year, and this is expected to continue. Your club committee is actively investigating options for possibly resurfacing 2 of our courts next year, which some other local clubs have already done. This is a very expensive exercise and we have not made any decisions as yet, while waiting for potential financial grants to materialise.

Apart from that, the only significant capital works which were done during the year was a new front fence, which will become the single point of entry to the club. We are working on a new lock system which is expected in coming months, which will allow for better control by members of access to our clubhouse and courts.

### THE COMMITTEE

Meetings were held on the first Monday night of each month. Meetings were well attended with up to 8 Committee members in attendance.

### FINANCE & MEMBERSHIP

Our financial position is solid, with strong membership numbers.

Membership of the Club has risen slightly over the year.

### CLUB MAINTENANCE

Geoff Hall continues as a paid caretaker. We thank Club members who volunteered their services. We could always do with an expanded set of such volunteers!

## COACHING AND JUNIOR TENNIS

Andrew Halford and Stuart Brown continue their partnership with the Club as joint Head Coaches. The Head Coaches and their assistant coaches provide junior coaching every night of the week and provide private lessons and squad training in the evenings. Saturday morning competition in the North Eastern Junior Tennis Association continues at capacity .

## SENIOR TENNIS

Senior team tennis continues actively from high levels of pennant play to various levels of regional competition.

Midweek social tennis remains very strong with large groups participating on Monday, Tuesday and Thursday mornings.

## CLUB CHAMPIONSHIPS

The Club Championships were co-ordinated this year by Liz Brown and Rhonda McCaw and were held in September.

## SOCIAL ACTIVITIES

Club social events included the golf day, Christmas Party, club championships night dinner and other events.

The Club newsletter was produced twice during the year. We thank Rhonda McCaw who edited the newsletter and also to David Henry for his generosity for its production and printing.

## CONCLUSION

The Club continues to attract a strong membership and presence in local competitions, particularly the junior competitions. Midweek use of the courts is still high, however social use of courts on Saturday and Sundays afternoons is not great. Interest and participation in the Club Championships is of concern and some effort may have to go into reinvigorating this event as both a competitive and social focus for the club.

I want to thank those members who have contributed to the ongoing activities of the club this year, particularly the great club committee that we have had, and I would like to invite and ask all members to consider giving some of your time to the club, as we always have a lot of things that need to be done, and could do with a larger pool of people to assist.
